

Candidate Political Action Questionnaire

1. Would you support punitive damages against law enforcement managers that purposely violate the Peace Officers Bill of Rights and other collective bargaining rights?
2. What are the three most important issues facing law enforcement?
3. What is your position on legislation to reduce or eliminate public safety defined benefit retirement plans?
4. Do you support public safety disability benefits?
5. To ensure an understanding of the dynamics of law enforcement duties, do you favor legislation that would require an active or retired peace officer to be part of civilian review boards?
6. Would you support legislation to set penalties for management when they fail to comply with the rules set by the Labor Relations Board?
7. What is your position on privatization of public safety?
8. Would you support legislation to eliminate the current collective bargaining rights of public safety employees?
